P R O C L A M A T I O N

WHEREAS, doctors of chiropractic throughout the United States are active during October in a special community health program to improve the spinal health of our citizens; and

WHEREAS, spinal integrity makes it possible for all the organs in the body to function most efficiently; and

WHEREAS, spinal health is essential to proper growth and development; and

WHEREAS, millions of citizens are suffering from numerous illnesses and are unaware that these conditions may be related directly to spinal defects; and

WHEREAS, periodic chiropractic examinations can reveal spinal defects or distortions; and

WHEREAS, increased awareness of the need for spinal health through chiropractic care can correct many illnesses which occur in other parts of the body; and

WHEREAS, poor spinal health costs our nation time, money and manpower; and

WHEREAS, conversely, spinal health assures our nation a more efficient and productive citizenry; and

WHEREAS, the attention of every individual must be brought to the benefits of spinal health and the need for periodic chiropractic examinations; and

WHEREAS, the science of chiropratic and the doctors who practice it have contributed greatly to better health of our citizenry by providing this specialized health care:

NOW, THEREFORE, I, RICHARD F. KNEIP, Governor of the State of South Dakota, officially join with the South Dakota Chiropractic Association in proclaiming the month of October as

SPINAL HEALTH MONTH

and urge that this period be dedicated to informing the citizens of this great State of the health benefits of spinal integrity. The State of South Dakota further commends the doctors of chiropractic and the colleges of chiropractic for their efforts in the public's behalf, and specifically the doctors of chiropractic of this State for the community service programs.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the Great Seal of the State of South Dakota, in Pierre, the Capitol City, this 5th day of October, in the Year of Our Lord, Nineteen Hundred and Seventy-one.

Richard F. Kneip
